

Shepherd Publishing Ltd
Testimonials

Well, we must be doing something

"Thank you for forwarding your article. I think it's an excellent portrayal of the Company and I can't imagine how you managed to recall so many of my anecdotes and so accurately."

"I did receive the media pack containing the suite of material – very nice work."

"I just saw the Beef Farmer. Fantastic!"

"Congratulations on a brilliant magazine"

"Thank you so much for the magazines. I know it's not my area but I must compliment you on the quality and presentation; when time permits I will have a serious browse!"

"most enjoyable with a wealth of excellent articles"

"... I would love issues of your magazines, especially with articles as good as Minerals and Vitamins by Jonathan Guy."

"The publications were very well received by colleagues at our event at Plumpton"

"I have been receiving your Cattle Breeder magazine for a few years now and find it very informative and interesting"

"The magazines are really good, especially the photography"

"Is there any possibility of sending a copy of the latest magazine please – it's brilliant – thank you!"

"Eye catching productions"

"Great publication. Thank you"

"Fantastic publications by the way, I really enjoy them."

"I love the magazine. A very good magazine indeed and I am particularly interested in the native breeds."

"As professional organic sheep farmers, the articles within the latest issue have been very interesting."

"They are really well designed magazines and great photo quality. Nice to see."

"Just had my copy of Cattle Breeder, you did us proud, thank you. You have turned the magazine into a real mine of information. The cattle business has become very exciting."

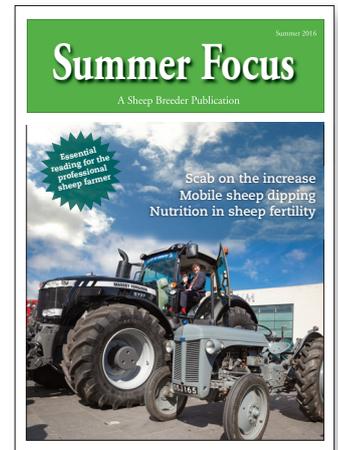

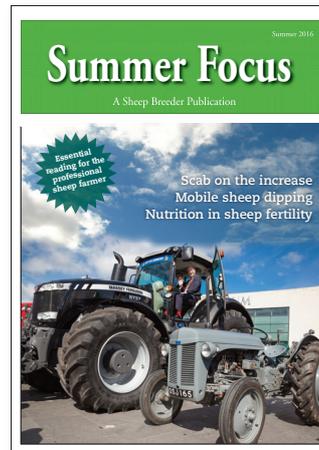

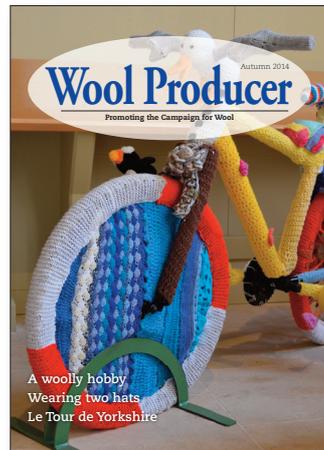

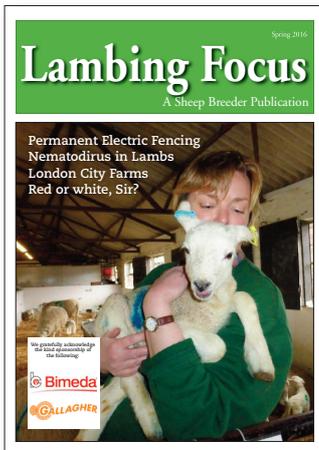

"Finally, a publication for us shepherds. This actually makes me feel my job is worthwhile. Thank you."

"We have had great pleasure from receiving our recent copies of "Sheep Breeder" and "Winter Focus". They are excellent magazines and we are so fortunate to have them. Every article is of particular interest to me."

"I've recently been lucky enough to see copies of your publications "Beef Farmer" and "Sheep Breeder" and I was wondering if it might be possible to receive my own copies on a regular basis?"

I have just received my first copy of Sheep Breeder today and enjoying the mix of content very much, thank you. Looking forward to the autumn edition

right...

"I found the sheep breeder magazine extremely interesting."

"The copies of Sheep Breeder arrived in today's post. I am really delighted by the presentation of my featured piece and indeed by the magazine as a whole, which is beautifully produced."

"We enjoy your magazine very much, it is very informative. Even for us who only keep sheep as a hobby."

"The copies of Sheep Breeder arrived in today's post. I am really delighted by the presentation of my featured piece and indeed by the magazine as a whole, which is beautifully produced."

"I have received your very impressive and informative booklets"

"Thank you so much, we are totally thrilled, the magazine is stunning. So many people have also commented on the front cover, we were seriously excited to see it last night!"

"I picked up a copy of your magazine the Sheep Breeder at The South of England show and would really like to subscribe to it as I enjoyed reading it immensely and have an interest in many of the topics it discussed. May I subscribe to your delightful magazine?"

"Just to thank you for all your help. As a new person to sheep breeding I have found the journals very helpful and informative."

"Would it be possible to receive the Spring 2015 issue of the Sheep Breeder plus the Lambing Preview as there some very interesting articles in it."

".. very interesting"

"I have just received my first copy of "Sheep Breeder" today and enjoying the mix of content very much, thank you. Looking forward to the autumn edition."

"Fantastic publications by the way, I really enjoy them."

"I have just received my first copy of Sheep Breeder today and enjoying the mix of content very much, thank you. Looking forward to the autumn edition."

"Very interesting articles. Many thanks"

"I look forward to my next copy of Sheep Breeder. Keep up the good work with your excellent range of publications."

"Thank you very much for sending your excellent publications (Sheep Breeder & Forage Matters) through the post, I like them a lot and wish you every success with your all your portfolio of magazines. They are of course up to your usual high standard of informative content and presentation."

"Fantastic publications by the way, I really enjoy them."
